MEMORANDUM FOR THE RECORD

SUBJECT: [REDACTED] /HYCON

1. [REDACTED] telephoned the undersigned on 27 July and reported that [REDACTED] had reported into HYCON from Detachment "A". He was therefore coming off of overseas tour as of 27 July. [REDACTED] clarified the whole deal on [REDACTED] by stating that what the Company was endeavoring to do was to get [REDACTED] back overseas upon the completion of his emergency leave without any expense to the individual. They were therefore going through the motions of assigning [REDACTED] to Detachment "B", but with no expectation that [REDACTED] would stay with "B". As soon as "B" should arrive at its destination, [REDACTED] would be expected to report back to Detachment "A" and [REDACTED] now at Detachment "A", would switch with [REDACTED] and report to Detachment "B". In view of these remarks, and inasmuch as we have aircraft with space available departing the Ranch to deploy "B", we suggested to [REDACTED] that [REDACTED] go out with "B" in a TDY status and then be provided military air transportation from "B" to "A" as soon as [REDACTED] should arrive from Base "A". [REDACTED] overseas tour of duty would recommence as of his date of departure from the ZI with Detachment "B".

2. [REDACTED] also informed us and requested that we pass on to Detachment "A" the information that [REDACTED] is at Detachment "A" as a permanent member of the HYCON team.

3. [REDACTED] who had been in on the telephone conversation, was requested by the undersigned to draft a cable for Detachment "B", with a copy for Detachment "A", setting forth the above arrangements. We also will send a copy of this cable to HYCON for their information.
